A profitable and strategic investment: trade fair + digital

Before fair ————— Increase your visibility and identify your prospects in advance via MOM.

During fair ————— Streamline interactions and qualify your contacts using visitor scanning tools and order-taking features.

After fair ————— Extend your conversations and grow your business opportunities through MOM.

All year on MOM ————— Generate orders by selling your products.

What exhibitors say

“Maison&Objet is highly international, and we have the opportunity to gain new clients from all over the world.”

Patrick L'Hoste __ Pulpo

“Moismont has been around for twelve years, and we've been part of Maison&Objet for twelve years too. Everything happens here!”

Jacques Bijvoet __ Moismont

“Maison&Objet allows us to expand our distribution network and, thanks to our trade show leads, be present in 80 countries.”

Béatrice Brandt __ Le Jacquard Français

Gift & Play

**Gift with a twist the art of
Surprise**

Gift & Play: where your creative world meets business opportunities

The art of gifting is reinventing itself.

At the heart of the Gift & Play sector, personalized and customizable gifts sit at the crossroads of design, innovation and functionality. More purposeful than ever, gifts are chosen to stand the test of time. Connected and clever objects, smart finds and distinctive decorative pieces combine functionality with aesthetics. Here, visitors come looking for everything from ultra-soft cuddly toys to the latest must-have scooters. Kids and grown-ups alike mingle, explore and linger.
